Inset Day 5 (Disaggregated)	Monday 23 rd July 2018
Inset Day 6 (Disaggregated)	Tuesday 24 th July 2018

How do we organise in service education and training events (INSET) at The Holgate Academy?
We have 7 types of INSET events:

1. **Admin Day** - This takes place at the start of the Autumn Term. On this type of training day it usually begins with a whole school staff briefing to review successes of the previous year and share the vision and aims for the year ahead. The review of our summer exam results is a key focus for this event. Staff also have preparation time with their faculties and house teams.
2. **Inset Day (In School)** - All staff are in school taking part in organised training sessions.
3. **Inset Day (DALP)** - DALP Day is a cross-academy training day where members of staff take part in training sessions with colleagues from the academies in the Diverse Academies Learning Partnership (DALP). These sessions provide opportunities for staff to share best practice with their counterparts in the other academies.
4. **Inset Day (Disaggregated)** - During the year teaching staff and teaching assistants attend a number of after school training events. These shorter sessions allow for very effective use of INSET time with several areas of training being covered throughout the year. Many of these are faculty based rather than whole school. On the disaggregated days staff do not attend school; they are given time off in lieu of training session that they have undertaken.
5. **Twilight Sessions** - whole school focus. This year's focus is FACE (Feedback/ Autonomy/ Challenge/ Engagement)
6. **Twilight Sessions** - faculty focus. These events allow faculties to work together on priorities specific to subject areas.
7. **Elective CPD Sessions** - these are delivered by internal staff providers on a Wednesday after school and staff opt into these to support their professional learning.
