

THE
HOLGATE
ACADEMY

Welcome to the SEND Faculty!

Meet the team....

- Welcome to the SEND faculty at The Holgate Academy, where we have a fully inclusive provision to cater for all our SEND needs.
- We aim to provide supportive and specialised intervention so that all our students achieve and feel happy throughout their education at The Holgate Academy.
- We don't only specialise in cognition and learning, but also communication and interaction, social and emotional as well as sensory and physical needs.

- Progress centre

The Accelerate learning rooms

- The Accelerate learning rooms commonly known as AL originally opened for year 7 in 2017. This allowed for students who were not quite secondary ready to transition to Holgate into a classroom that had a warm and familiar Primary feel. We taught the basic skills again to enable students to have the confidence to access mainstream lessons and feel comfortable and supported throughout transition to us.
- As this was a growing success we found a need for our students in year 8 and 9 to follow a bespoke curriculum if they didn't feel comfortable in all mainstream lessons.

Why choose AL !?

- Need a bit more time transition into Year 7
- Anxiety
- Struggling academically (Maths/English)
- Low self esteem
- Socially

What happens in the AL Room ?

- **EVERYTHING** !!...Just a little bit more fun ;0)
 - Maths
 - English
 - Science
 - Geography
 - History
 - PD
 - French (Extra Reading
- When you are ready...you will be integrated back into 7y3.
