Positive relationships

- Cultivating strong and positive relationships are the key to everything we do
 - Student – student
 - Student – teacher/staff
 - Academy – home
 - Teacher – teacher
- This includes ensuring we have strong community links and are visible in the Hucknall area and beyond
- Leads to one community, all striving to succeed

ACADEMY

Diverse
Academies

Diverse Academies Trust

- Part of a larger group of academies
- Shared best-practice and expertise across the Trust
- Challenge and support for all staff, on all levels
- Continuous training support for staff, enabling better quality teaching and learning
- Providing quality education across Nottinghamshire and Lincolnshire

Our vision for the future

- For all students to be determined to make positive contributions in lessons
- Encourage and equip all students to fully participate in all aspects of academy life
- Instil high expectations of social interactions
- Equip all students to react positively in adversity
