Miss Christian Attendance officer

Based in A block up at Hillcrest next to student services.

I make sure students have attended the academy and arrived on time. I call home to parent/carers if you have not attended – make sure you attend everyday and on time!

Point of contact for parent/carers want to find out about their child's attendance

Parents should let me know about any appointments, absent days, or upcoming events that you will be away from the academy for

Good attendance is rewarded - 97% or above and you receive a certificate!
