Bienvenue

Welcome to MFL – we like to think that we are the best department in the whole school and we stand by that ...

At Holgate Academy we study French but don't worry if you have done Spanish in your primary school as language skills are transferable and there are lots of similarities with both being Latin languages.

We have lunch and after school clubs that you can go to enjoy the culture side of learning (music / film / it)

Miss Westgate

A little bit about me:

- I am originally from the South-West of England but have also lived in North Wales and Toulouse, France.
- I am a very keen sportsperson and I love to play and umpire hockey.
- I really enjoy singing...and not just in English!
- I love making things, whether it's food, craft or anything else.

Salut toi!

I **LOVE** travelling! It is a great way to meet new people, experience new things...and learn how to say hello in even more languages!

What I love about languages:

- They are vital for effective communication.
- They help to get a great sense of other cultures.
- They develop memory and listening skills.
