Miss Christian **Attendance officer**

I am based in A block up at the Hillcrest site next to student services.

I make sure students have attended the academy and have arrived on time. I make contact home to parent/carers if you have not attended – make sure you attend everyday and on time!

I am the point of contact when parent/carers want to find out about their child's attendance.

Parents should let me know about any appointments, absent days, or upcoming events that you will be away from the academy for.

Good attendance is rewarded - 97% or above and you receive a certificate!
