Statement of intent

At [The Holgate Academy](#), we aim to provide a community for pupils which keeps them safe, supports their creativity and enables them to meet their full potential.

The academy is committed to supporting young carers' access to a full education. This policy will be implemented by all staff members in order to ensure young carers at our academy are identified and offered appropriate support to access the education to which they are entitled.

1. Legal framework

- Education Act 2011
- Equality Act 2010
- Carers (Equal Opportunities) Act 2004
- Carers (Recognition and Services) Act 1995
- Children and Families Act 2014

2.3. Young carers may be primary carers, such as caring for a parent, or a secondary carer, such as helping to care for a sibling.

2.4. A young carer becomes vulnerable when the level of caregiving and responsibility to the person in need of care becomes excessive or inappropriate for that child and risks jeopardising their emotional or physical wellbeing, educational achievement and life chances.

3. Issues faced by young carers

 - Experiencing bullying or isolation

 - Poor education or career choices
- 3.2. Young carers may exhibit challenging behaviour in environments away from home.
- 3.3. Many young carers may be unable to develop friendships outside of the academy, restrict the development of a pupil's social skills.
- 3.4. Some young carers carry out tasks for which they are physically ill equipped, which can impact on their overall health. Long-term caring responsibilities can also impact significantly on the mental health of young people, which like their physical health, can lead to poor attendance.
- 3.5. Financial support maybe available in line with the Pupil Premium assessment.

4. Identifying young carers

- 4.1 During the academy enrolment process for year 6 pupils and in year transfers, the academy will
- Clarify whether the pupil has caring responsibilities.
 - Identify whether the young carer has any additional needs that need to be supported, e.g., any ARNA, SEND or social, emotional, and mental health (SEMH) needs.
- 4.2. Where appropriate, a young carer may be referred to the LA or other support agencies for a needs assessment.
- 4.3. The Young carer lead will update information on Sims regularly to, filtering to Class charts where young carer information is accessible to all staff. Regular updates will be shared when necessary to all staff during Inset or briefings.
