

Our extra-curricular offer

September 2024

The Holgate Academy offers a range of extra-curricular opportunities for students aimed at enriching their experience at the academy and providing them with additional skills to prepare them for life outside of the classroom.

More about our clubs

Name of activity	Description
Art club	Students can enjoy art and be creative.
Art Club (GCSE)	Students can build on both art and photography portfolio's.
Art Club (GCSE)	An open GCSE session where students can continue their work and get specialist support.
Art, Photo and Graphics (High Achievers GCSE)	Students will be invited specifically for this session in order to support pushing them for 7+ grades.
Badminton Club	Students are able to attend and play badminton with their friends in a relaxed environment at the end of the week. Available to all Year groups and no previous experience required.
Benchball (KS3 Girls)	Benchball skills, games and tactics.
Business Brainstormers	A Business Studies specific revision and discussion group.
Chemistry Club	Exam practice and help with chemistry GCSE
Chess and Board games	A variety of board games to build confidence and team work. Also a young carer drop in.
Film Club	A place for likeminded students to come and talk about films.
Fitness Club (Girls)	Students have the opportunity to improve their cardiovascular fitness and strength in our multi-purpose fitness suite. Students can use the cardio machines including treadmills, bikes, rowing machines as well as the weight resistance machines and free weights. Students are able to work on their own training programmes and have support in learning how to use each machine.
Football Club	Football club open to all years. Groups will be made for games in correct years.
Football (Girls)	Students will participate in various football drills and match play to work on skills, communication and teamwork.

French Club	Games, fun language activities, quizzes, signing songs.
French Club (KS4)	Playing French Language games, watching film in French, Revising French Speaking cards / Stimuli
Gardening Club	Activities in the garden at the Nabbs site. Pick up some gardening skills.
iMedia and Computer Science Intervention (KS4)	This is an opportunity for any year 10 or year 11 students to come along for additional support with either iMedia or Computer Science.
Intervention (GCSE)	Students will be invited to extend skills to create work that demonstrates exceptional ability.
Homework Club	Students can come along with pre-set homework from teachers or extra English homework.
LGBT Support Group	Discussions around LGBT history and culture - a safe space for students of all identities to come together.
Matilda Show	Part of a cast/crew for a full musical production – performances.
Music Lunch Club	Students can come and practice key skills in music.
Rock School	BTEC support.
Revision Club (Year 11)	Any revision students have to do in preparation for upcoming exams.
Science Club (KS3)	We will look at different areas of science, and run projects throughout the year, such as categorising fossils, building structures, chemical testing and growing plants.
Sewing Club	Improve their ability to hand sew items and use a sewing machine to produce a variety of products.
Sugar Craft	Students will build skills in sugar craft, making animals/flowers out of modelling paste for cake toppers.
Trampolining Club (Girls)	Students are given the opportunity to learn new skills on the trampoline, as well as improve their current skills. Students can work in small groups and help coach one another basic and advanced skills. Trampolining helps to improve your fitness, flexibility, power and coordination.

Warhammer

Paint and create creatures and characters from the Warhammer series. Play table top games with them, and learning about the rich lore of Warhammer.
